Get In On The Latest Movie Making Sensation

Take part in a Dreamcatcher Media Film and Summer Camp and you could have millions watching the film project you complete on websites such as YouTube and MySpace. Each student will get to play many of the production roles including writer, director, producer and cameraperson. You will get hands-on training from broadcast professionals who've worked with some of Britain's top TV presenters - including Piers Morgan (Piers Morgan Tonight - CNN) and Sir David Frost OBE (Breakfast with Frost BBC1). Equally, from the world of film, both in London and Hollywood, they have worked with stars such as George Clooney, Oliver Stone, Steven Spielberg, Sienna Miller and others.

From July 9th to
August 31st:

The Falcons Prep School,
41 Kew Foot Road,
London, TW9 2SS
(5 min walk from Richmond Tube)

Electric Cinema,

Make Your Own Film!

Film making camp will challenge you to tell a story with moving images. You will learn to take a story from initial idea, through treatment and step outline to a finished script for your film. **Story structure, theme, character, tension, and conflict will be explored as they are used in filmmaking.** Day 1 begins with "The Idea" for your film, followed by working with digital cameras and learning the fundamentals of directing films as well as great story telling. By the end of Day 2 a script will be written. Days 3 and 4 are prep and filming days and Day 5 is an editing workshop.
