WEST LONDON IN POSTER CARDS

As a farewell opportunity to share the poster art he loves, club member **Malcolm Luty** will take us on a dazzling tour of West London as only poster artists can portray its places, events and products. From sleepy villages before Metroland gobbled them up, to world-famous centres like Heathrow, come and enjoy the visual hype of the last hundred years! Malcolm also hopes to bring some of his spare poster cards for sale.

In addition, the annual **POSTCARD COMPETITION** will be judged, and postcards will be on sale from members.
