

ALL SOULS CHURCH WAR MEMORIAL INSCRIPTION

The object of this table is to summarise the available information about the persons named on the War Memorial at All Soul's Church, Northcote Road, St Margaret's, Twickenham, Middlesex. It is very much a work in progress, and it is hoped to add more information when available. Needless to say, if you know anything about the people who are listed, or their families, then we would very much like to hear from you. This data has been compiled by Laurence Mann (lnmann@cix.co.uk) from various sources, some of which are copyright of the National Archives and of the CWGC, but who asserts no copyright in this tabulation.
